Check One: Compliance Inspection Field Evaluation

Landowner Information

Name: _____ Agent Name: _____

Address: _____ City, State, Zip: _____

Phone: _____ Alt. Phone: _____

The above named landowner hereby agrees to have an Subsurface Sewage Treatment System SSTS site inspection completed before June 1, _____ for the parcel of property in Hubbard County, Minnesota described as follows:

Legal Description: _____

Lake: _____ River: _____ Parcel ID #: _____._____._____

Property Address: _____

In accordance with Section 708 of the Hubbard County Shoreland Management Ordinance, all permit applications subject to the ordinance occurring during the period between November 1st and April 30th when SSTS sites cannot be determined due to frozen soil conditions shall require an SSTS Compliance Inspection/Field Evaluation Agreement. The compliance inspection or field evaluation must be completed by the next June 1st by a state-licensed compliance inspector or field evaluator. In the case of a compliance inspection, if on inspection the SSTS is found to have failed, the system shall be upgraded within one year of the date of inspection. Violation of this provision constitutes a misdemeanor.

I hereby swear and affirm that all of the above information is true and correct to the best of my knowledge.
