## Curb to Curb Transportation Service for All Residents of Hubbard County

### General Route Bus System:

A wheelchair accessible bus is scheduled to run through ALL areas of the county with destinations of Park Rapids and Bemidji. The bus can deviate from a given route to pick you up at home or a designated pickup point. You choose the day the bus comes closest to your home and we will swing by to pick you up! There is generally a 3-4 hour layover at the destination and the bus can take you from point to point once you are there. Schedules are published on a monthly basis and a subscription of \$5.00 per year will get it mailed to you.

### FEE \$5.50 Round Trip
