Description of purchase and/or project:

For the purpose of enhancing drug investigations and to improve our search and rescue abilities, we would like to purchase a drone with FLIR thermal imaging capabilities. This will not only be used for drug enforcement, but will greatly help our efforts in searching for missing children, lost hunters, missing vulnerable adults, and drowning victims. No public tax dollars will be used. The project will be funded by dollars from the Sheriff Contingent fund which is from local fines, and the remaining will be from our #220 forfeited property account.
